Message

I am pleased to see B. J. Medical College reach another important milestone in its journey towards ensuring quality medical education for the youth of India.

Heartiest congratulations to all the worthy graduate doctors of the Convocation.

Your seniors have set a high standard of achievement for you to follow. However I hope that all of you will go on to make your mark in whatever specialty you choose to enter.

I wish to take this opportunity to express my appreciation and thanks to those teachers and staff of B. J. Medical College who have helped to shape, guide and prepare students to meet the manifold challenges of modern & dynamic medicine.

I congratulate the parents and guardians of the graduates of convocation.

Patients do not put their trust in machines or devices. They put their trust in you, so our expectations from fresh doctors are considerable.

(Nitin Patel)
